

✓ DARE TO COMPARE

Advantages of Nationwide's Modular Construction vs. 100% Site-Built Construction

NATIONWIDE
Homes

Traditional
Builder

Green building & Energy Star ready – everytime

1 year warranty

2-10 extended structural warranty

Over 300 quality and 3rd party home inspections during production

Performs better in extreme wind conditions

Can be built to withstand 175 mph winds (hurricane regions)

Completed home can be built in as little as 64 days...often faster

Construction process saves thousands on the construction loan costs

Offers universal accessible & aging in place designs (Built 4 Living Designs)

Uses more materials for a ridged, heavier constructed home

Climate controlled construction environment

Moisture-susceptable material stored in dry, temperature controlled environment

Homes qualify for all mortgage programs

Online concierge service gets you answers fast

Over 50 years of new home construction experience

Online planning & educational tool - constantly updated with current building trends

► **Is modular construction for you?**

(You may be surprised that it is.)
